COVID-19 Service Updates

In order to ensure that your refuse continues to be collected without interruption, Republic Services has temporarily suspended the start of landscape collection. With crews shifted to the more urgent services, Republic is making the following temporary adjustments:

- Suspension of Yard Waste Pick up
- Suspension of Bulk Waste Collection
- Cart Contents Only
- No Curbside Collection of Additional Refuse

As soon as they can resume normal services, we will let you know.

Yard-Waste Stickers Will Still Be Available For Purchase

Drop off a check with a note specifying the number of stickers desired, and an envelope will be delivered to your home beginning next week.
