Application for Temporary Tent

The Community Development Department reviews applications for temporary tents erected in all Zoning Districts of the Village. Temporary tents of 200 square feet or more in area are regulated by zoning and building codes adopted by the Village, and must receive a Permit and Certificate of Compliance before installation. Temporary tents must comply with Zoning Ordinance Section 153.037 Temporary Uses and 2003 International Fire Code Section 2403 Temporary Tents, Canopies and Membrane Structures.

Temporary Tent Permit Process:

1. Submit Application for Tent Permit and Certificate of Compliance and provide the following information:
 - Schedule for tent erection, event dates and tent removal
 - Tent installer information
 - Estimated number of people in tent
 - Site plan or Plat of Survey showing size and location of tent(s)
 - Floor plan of tent(s) showing tables to be installed
 - Copy of Certificate of Flame Resistance for tent materials (must match tent to be used)
 - If tent has sides, show exiting and location of exit lights
 - Information on lighting and electrical devices, if any (licensed electrician required)
 - Information on auxiliary heat, if any
 - Information on open flames for food or decoration, if any
2. After staff review, Tent Permit and Certificate of Compliance issued
3. After tent erected and prior to start of event, inspection of tent required by:
 - Kenilworth building & electrical inspectors
 - Winnetka Fire Department (arranged through Kenilworth Police Dept.)

Call Community Development Department at (847) 251-1666 to schedule inspections and for any questions
