

## Our Trees. Our Community. Our Future.

**The Heritage Tree Program** celebrates the 125<sup>th</sup> Anniversary of the Village of Kenilworth with an initiative to plant 125 trees in our parkways, parklands and our playgrounds in 2021! All residents, community organizations, schools and churches are invited to take part in creating this legacy.

Trees are an important part of our hometown and the world. Trees clean our air and water, reduce flooding, create habitat for wildlife, provide significant social and health benefits and improve property values. Trees improve our quality of life.

Planting a tree preserves and sustains ecological diversity for generations to come. Please celebrate this significant Village of Kenilworth Anniversary by donating to the Heritage Tree Program.

### I want to donate to the Heritage Tree Program!

Amount: \_\_\_\_\_

Name: \_\_\_\_\_

Address: \_\_\_\_\_

Telephone: \_\_\_\_\_

Email: \_\_\_\_\_
