Parkway Planting Program

“PLANTING A TREE IS PLANTING HOPE - EACH SEEDLING A PROMISE TO FUTURE GENERATIONS FOR CLEANER AIR, COOLER SHADE, AND A LIVING LEGACY OF LIFE.”

Fall 2025

This year, the Village is offering a new variety of tree species for residents to choose from to be planted on their parkway. These tree types are arborist-recommended for our climate and soil, guaranteeing that with proper care they are bound to thrive in our neighborhood.

For more information on requesting a planting in your parkway, donating the cost of a tree, or any other questions related to the program, scan the QR code below. Forms are also available at Village Hall and on www.vok.org. Donations and planting requests are accepted through Tuesday, September 2nd.

Thank you for your continued support with this community-wide effort!
